In this time of gratitude we give thanks to our valued customers, website visitors, and golfers that took the time to stop in at our Milwaukee and Chicago golf show booths.

On behalf of our entire staff I want to wish all of you a happy and blessed Thanksgiving

Dear Traveling Golfers

The 2013 golf season is nearing an end, it has been a busy year for us thanks in large part to the continued support of traveling golfers, just like yourselves. In addition to providing many of you with packages and quotes, we have been kept busy finding new places for our golfers to play. In 2013 we added six new golf destinations including Kohler Wisconsin, Jacksonville and Orlando Florida, Scottsdale and Tucson Arizona, and most recently Las Vegas Nevada.

Up until now all we had to offer our golfers as far as winter destinations, was a hope and a prayer that the temperatures in South Carolina and Alabama stayed above the freezing mark. Today we have dozens of top rated courses in destination better suited for mid winter golf vacations.

In addition to outstanding course options we now have access to some of Las Vegas' finest hotels and resorts. In Florida we can set you up in a four or five star resort, or in two, three, or four bedroom villas or condos within minutes of your golf. In Arizona we have dozens of resorts, hotels and suites to accommodate whatever your group's needs are.

In addition to new destination and more exciting package specials we are adding new services and enhancing our Package Partners Program to include more businesses with specials and discounts for our groups.

Once again, thanks for working with us this past year and we look forward to hearing from you in 2014.
